ADDENDUM

The Addendum includes:

1. **Definitions and Rules of Construction;**
2. **Summary of changes;**

1. DEFINITIONS AND RULES OF CONSTRUCTION**1.1 Definitions**

“**Distribution**” is defined as a publication being:

- sent by mail, or
- sent by fax, or
- notice sent by e-mail and publication placed on the FITA website, as requested by the Member Association.

“**Publication**” is defined as printed matter or documents in electronic format to be able to be read through commonly available computer systems.

1.2 Rules of Construction

In the FITA Rules & Constitution the following rules of construction apply:

- The masculine or feminine gender used in relation to any physical person shall, unless there is a specific provision to the contrary, be understood as including the other gender;
- As used herein, the words “may not”, “shall” and “will” are to be interpreted as a mandatory provision.
- In determining majorities, there will be always a rounding up to the nearest integer, eg the simple majority of 67 is 34, the two-third majority of 67 is 45 ($67/3 \times 2 = 44.66$, rounded up to 45).

2. SUMMARY OF CHANGES

Following the decisions of Congress in Leipzig the C&R Book has been updated. We have tried to improve the wording of many articles. Rule changes are highlighted by underlining the relevant passages. When articles have been deleted the old article is referred to. Bylaws approved by Council after the Leipzig Congress coming into effect up to the 1st April 2008 have been included in the rule book by partially underlining the relevant passages. These only will come definitively into effect if approved by the 2009 Congress.

1. For practical reasons the C&R Book has been divided into 5 Books. Some appendixes have been deleted, they will become part of the Organizer’s Manuals
Book 1 - Constitution - Administration (Chapters 1-6) (new appendix 13 and 14)

Book 2 - Outdoor Target Archery (Chapter 7)

Book 3 - Indoor Target Archery (Chapter 8)

Book 4 - Field Archery (Chapter 9)

Book 5 – Ski-Archery (Chapter 10) - Miscellaneous Rounds (Chapter 11)
